

Northland Center for Advanced Professional Studies (CAPS) immerses high school students from seven northland school districts in professional environments through engaging curriculum that is driven by passionate industry leaders and delivered by visionary instructors.

How Can A Business Impact The Future?

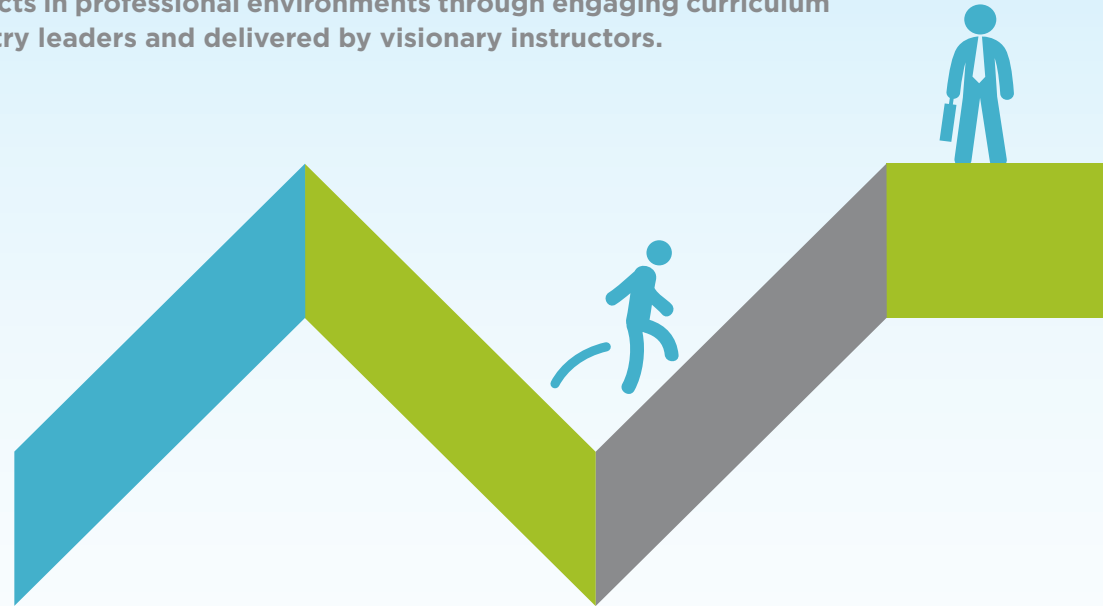

- Become a mentor
- Provide an internship
- Encourage a student
- Host a class
- Spread the word
- Project work

The Gap

Over 1.5 million young adults graduate from US colleges every year, yet 14 million jobs requiring this education will go unfulfilled over the next 10 years.

So what is the gap?

Building A Stronger Workforce

Northland CAPS combines authentic career experiences and classroom learning, partnering students and employers for a stronger future.

Immerses students in business environments

Partners educators and companies for student-driven learning

Adjusts curriculum to industry trends and needs

Helps students identify and grow skills early

Promotes “anywhere” learning and teaching

The Northland CAPS Difference

100% of curriculum . . .
is tied to economic and workforce development and is eligible for high school and college credit

300+ companies . . .
helping to shape the future workforce through internship experiences

380+ young minds . . .
in eight (8) business satellites

250+ new internships . . .
for 2017-18 NCAPS students

Vision:

Building synergy for student, business and community success.

Mission:

To provide students a professional, authentic, innovative and relevant experience that supports a vibrant Kansas City workforce.

Values:

Agility | Collaboration | Continuous Improvement | Integrity
Data Driven Decisions

Goals/Strategic Focus Areas:

- Provide a relevant experience that supports college and career readiness for students.
- Be an Economic Development Driver for engagement in the Kansas City and Northland Region.
- Be a leader in Fundamental Change for traditional teaching and learning.
- Proactively and responsibly balance expansion of Northland CAPS through strand offerings and affordability for school districts.
